Attorney for Defendant

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF OREGON
PORTLAND DIVISION

UNITED STATES OF AMERICA,

PLAINTIFF,

vs.

No. CR 04-243-HA

PETITION TO ENTER PLEA OF
GUILTY, CERTIFICATE OF
COUNSEL, AND ORDER

STEVEN GABRIEL MOOS,

DEFENDANT.

The defendant represents to the court:

1. My name is Steven Gabriel Moos. I am 41 years old. I have gone to school up to and including medical school.
2. My attorney is Chief Deputy Federal Public Defender Stephen R. Sady.

3. My attorney and I have discussed my case fully. I have received a copy of the Indictment or Information. I have read the Indictment or Information, or it has been read to me, and I have discussed it with my attorney. My attorney has counseled and advised me concerning the nature of each charge, any lesser-included offense(s), and the possible defenses that I might have in this case. I have been advised and understand that the elements of the charge(s) alleged against me to which I am pleading "GUILTY" are as follows: knowingly and willfully making a false and fraudulent statement or representation of a material fact in a matter within the jurisdiction of the Drug Enforcement Administration, an agency within the executive branch of the government of the United States. I have had a full and adequate opportunity to disclose to my attorney all facts known to me that relate to my case. I understand that the Court may ask whether I am satisfied with the advice I have received from my attorney.

4. I know that if I plead "GUILTY," I will have to answer any questions that the judge asks me about the offense(s) to which I am pleading guilty. I also know that if I answer falsely, under oath, and in the presence of my attorney, my answers could be used against me in a prosecution for perjury or false statement.

5. I am not under the influence of alcohol or drugs. I am not suffering from any injury, illness or disability affecting my thinking or my ability to reason. I have not taken any drugs or medications within the past seven (7) days.

6. I understand that conviction of a crime can result in consequences in addition to imprisonment. Such consequences include deportation, or removal from the United States, or denial of naturalization, if I am not a United States citizen; loss of eligibility to receive federal benefits; loss of certain civil rights (which may be temporary or permanent depending on applicable state or federal law), such as the right to vote, to hold public office, and to possess a firearm; and loss of the privilege to engage in certain occupations licensed by the state or federal government.

7. I know that I may plead “NOT GUILTY” to any crime charged against me and that I may persist in that plea if it has already been made. I know that if I plead “NOT GUILTY” the Constitution guarantees me:

- a. The right to a speedy and public trial by jury, during which I will be presumed to be innocent unless and until I am proven guilty by the government beyond a reasonable doubt and by the unanimous vote of twelve jurors;
- b. The right to have the assistance of an attorney at all stages of the proceedings;
- c. The right to use the power and process of the court to compel the production of evidence, including the attendance of witnesses in my favor;
- d. The right to see, hear, confront, and cross-examine all witnesses called to testify against me;
- e. The right to decide for myself whether to take the witness stand and testify, and if I decide not to take the witness stand, I understand that no inference of guilt may be drawn from this decision; and
- f. The right not to be compelled to incriminate myself.

8. I know that if I plead "GUILTY" there will be no trial before either a judge or a jury, and that I will not be able to appeal from the judge's denial of any pretrial motions I may have filed concerning matters or issues not related to the court's jurisdiction.

9. In this case I am pleading "GUILTY" under Rule 11(c)(1)(B). My attorney has explained the effect of my plea under Rule 11(c)(1)(B) to be as follows:

Although the judge will consider the recommendations and agreements of both the prosecution and defense attorneys concerning sentencing, the judge is not obligated to follow those recommendations or agreements. If the judge imposes a sentence different from what I expected to receive under the terms of my Plea Agreement with the prosecutor, I do not have a right to withdraw my plea.

10. I know the maximum sentence which can be imposed upon me for the crime(s) to which I am pleading guilty is five years imprisonment and a fine of \$250,000. I also know there is no mandatory minimum sentence.

11. I know that the judge, in addition to any other penalty, will order a special assessment as provided by law in the amount of \$100 per count of conviction.

12. I know that if I am ordered to pay a fine, and I willfully refuse to pay that fine, I can be returned to court, where the amount of the unpaid balance owed on the fine can be substantially increased by the judge and I can be imprisoned for up to one year.

13. My attorney has discussed with me sentencing under federal law. I know that the judge will consider sentencing factors under 18 U.S.C. § 3553(a) in determining a proper sentence, including; the nature and circumstances of the offense and my history and

characteristics; the need for the sentence to reflect the seriousness of the offense, promote respect for the law, provide just punishment, afford adequate deterrence to criminal conduct, protect the public from further crime by me, and provide me with needed educational or vocational training, medical care, or other correctional treatment in the most effective manner; the kinds of sentences available; the advisory United States Sentencing Guidelines and policy statements; the need to avoid unwarranted sentencing disparities among defendants; and, the need to provide restitution to any victims. I know that the judge may not impose a sentence greater than the maximum sentence referred to in paragraph (10) above.

14. I know from discussion with my attorney that if I am sentenced to prison I am not entitled to parole. I will have to serve the full sentence imposed except for any credit for good behavior that I earn. I can earn credit for good behavior in prison at a rate of up to 54 days for each year of imprisonment served. Credit for good behavior does not apply to a sentence of one year or less.

15. I know that if I am sentenced to prison, the judge will impose a term of supervised release to follow the prison sentence. During my supervised release term I will be supervised by a probation officer according to terms and conditions set by the judge. In my case, a term of supervised release can be up to three years. If I violate the conditions of supervised release, I may be sent to prison.

16. I know that in addition to or in lieu of any other penalty, the judge can order restitution payments to any victim of any offense to which I plead guilty. I am also informed that, for certain crimes of violence and crimes involving fraud or deceit, it is mandatory that the judge impose restitution in the full amount of any financial loss or harm caused by an offense. If imposed, the victim can use the order of restitution to obtain a civil judgment lien. A restitution order can be enforced by the United States for up to twenty (20) years from the date of my release from imprisonment, or, if I am not imprisoned, twenty (20) years from the date of the entry of judgment. If I willfully refuse to pay restitution as ordered, a judge may resentence me to any sentence which could originally have been imposed.

17. On any fine or restitution in an amount of \$2,500 or more, I know that I will be required to pay interest unless that fine or restitution is paid within fifteen (15) days from the date of the entry of judgment.

18. If I am on probation, parole, or supervised release in any other state or federal case, I know that by pleading guilty in this court my probation, parole or supervised release may be revoked and I may be required to serve time in that case, which may be consecutive, that is, in addition to any sentence imposed on me in this court.

19. If I have another case pending in any state or federal court, I know that my Petition and Plea Agreement in this case do not, in the absence of an express and written agreement, apply to my other case(s), and that I can be faced with consecutive sentences of imprisonment.

20. My plea of "GUILTY" is based on a Plea Agreement that I have made with the prosecutor.

21. The Plea Agreement contains the only agreement between the United States government and me. No officer or agent of any branch of government (federal, state or local) or anyone else has promised or suggested that I will receive a lesser term of imprisonment, or probation, or any other form of leniency if I plead "GUILTY" except as stated in the Plea Agreement. I understand that I cannot rely on any promise or suggestion made to me by a government agent or officer which is not stated in writing in the Plea Agreement, or which is not presented to the judge in my presence in open court at the time of the entry of my plea of guilty.

22. My plea of "GUILTY" is not the result of force, threat, or intimidation.

23. I request that the judge accept my plea of "GUILTY" to the following count(s):
Count 3.

24. I know that the judge must be satisfied that a crime occurred and that I committed that crime before my plea of "GUILTY" can be accepted. With respect to the charge to which I am pleading guilty, I represent that I did the following acts and that the following facts are true:

In or around January 2003, I knowingly and willfully made a false and fraudulent representation of a material fact in a matter within the jurisdiction of the Drug Enforcement Administration, an agency within the executive branch of the government of the United States, in that I made the false representation in my DEA Registration Renewal, DEA Form 224a, that I had never had a state professional license or controlled substance registration

revoked, suspended, denied, restricted or placed on probation, when at the time of the statement, I knew that my medical license had been placed in a probationary status in March 2000, in violation of Title 18, United States Code, Sections 1001 and 2.

25. I offer my plea of "GUILTY" freely and voluntarily and of my own accord and with a full understanding of the allegations set forth in the Indictment or Information, and with a full understanding of the statements set forth in this Petition and in the Certificate of my attorney that is attached to this Petition.

SIGNED by me in the presence of my attorney, after reading (or having had read to me) all of the pages and paragraphs of this Petition on this 20th day of December, 2010.
